ABOUT US

ENE Design Limited is a Bangladesh-based apparel sourcing and design company providing reliable garment and accessories solutions to international buyers.

We handle Woven, Knit, and Sweater products with strong capability in garments accessories, supported by a wide network of factories, textile mills, and production partners.

Our experienced teams in Merchandising, Quality Assurance, Technical, Planning, Compliance, and Logistics ensure smooth execution from development to shipment. With an in-house design and sampling facility, we support product development aligned with buyer requirements.

Our motto is: "Trusted sourcing. Timely delivery."
